## **Suggested Summer Camp Packing List**

This list is provided as a simple guideline to plan what you will need for your week in camp. Your Scoutmaster may have some other suggestions which do not appear on this list.

Official BSA Uniform:

We recommend packing your items in either a foot locker or suitcase that can be locked. Backpacks may be needed for outpost overnighter or Venturing program.

Clothing and personal property should be permanently marked with your name and troop. There is a lost-and-found box in the office in case you lose anything. Medications should be clearly marked with patient's name, medication name, dosage.
